

2007 CAC Summer BBQ in Chicago

Barbeque along Chicago's beautiful lake front seems to be the ideal thing to do in the summer. On July 14th, 2007, CAC Chicago Chapter held its annual summer BBQ at Belmont Harbor in the popular neighborhood of Lincoln Park. The BBQ was a great success with over forty actuaries in attendance from a variety of companies.

The BBQ provided the CAC members with not only an excellent networking opportunity, but also a day of relaxing fun. Volleyball and Frisbee games were fully participated and played competitively throughout the day. Other activities such as water balloon toss, watermelon eating competition and water balloon squeeze also received excellent participation and feedback. Water guns were given as prizes. See the snap shots below.

With such a great turn out and involvement, new friendships were formed while old friends had a chance to catch up. We were able to recruit new members to the club and look forward to a wonderful year ahead.
