

THE CHINESE ACTUARIAL CLUB

On 8/8/2009, Typhoon Morakot pummeled Taiwan. The island has encountered the worst flood in the recent half century. Hundreds of people lost their lives, roads, bridges and houses were destroyed. There are still hundreds of lives unaccountable and the hope of finding survivors diminishes each day.

To join the worldwide relief efforts, the [Chinese Actuarial Club](#) is pledging \$1,000 to support rebuilding of the country.

How you can help!?
